Place of Employment _____

Current Customer's Only

Moving From _____

Do you want service cut off at old address? _____ Yes _____ No

If so, date and address _____

The applicant understands that the Town of Hertford must take actions and expend funds to comply with the request for service. By signing this application, the applicant signifies that he has the authority to request electric services, both permanent and temporary to the premises identified on this application. By signing the application, the applicant requests permanent electric services to be preceded by temporary service if needed for the location identified.

Utility service will be subject to any and all rates, rules, regulations, policies, procedures, terms, and conditions applicable to the service, and as revised by the Town of Hertford with the authority given it by N C General Statue Chapter 160A, Article 16. The rights and responsibilities of the Town of Hertford and the customer regarding electric service included those set out in the Town of Hertford's Guidelines for Customer Service Policies; a copy of which is available upon request. Those policies in effect for the date of this application may be updated or changed from time to time by the Town of Hertford. However, the terms and previsions of the manual as they might change are incorporated in this application.

The Town of Hertford will make all reasonable efforts to provide continuous and uninterrupted electric service but cannot be liable for the loss of the damage (direct, consequential, or otherwise) caused by any failure to supply electricity or by an interruption, if it is due to any cause beyond the reasonable control of the Town of Hertford.

The application and the documents referred to in this application, specifically including the Town's Policies and Procedures Manual, constitute the entire agreement between the customer and the Town of Hertford with respects to the provision of utility service by the Town. Neither party shall be responsible to the other except as specifically set out in this application and in those agreements or documents referred to in this application. Upon acceptance of this application, the Town of Hertford and the applicant form a valid contract.

Although the Town of Hertford and its customers may not always exercise the rights specified in these policies or available to them by law, that does not prevent the Town of Hertford or the customer from exercising those rights at a later time.

Please note this is a contract for utility services based on the municipality's policies and procedures. You have the right to review the policy manual or ask questions in our municipal office.

PRIVACY/WAIVER: The NC Legislature passed two bills in the 2001 Session dealing with the public records law. GS 132-1.1 removes from public record customer billing data for any public enterprises, including electric. GS 132-1.6 removes from public record information dealing with public security plans and drawings of public building and infrastructure facilities. Removing this information from public record does not automatically make it confidential. Rather, it gives the public body the opportunity to not provide the information upon request unless the public body deems disclosure appropriate. For detailed privacy policy, please inquire.
